The Panther Staff

SHS-BACK TO SCHOOL

At 3:30 is—run—get a Coke—get a book—get in the band hall—get on that bus—run!

Karen & Gaye test selling process on Mr. Gilstrap—A good try because he is signing on the dotted line.

Panther Power is much in evidence with this crew—Chuck, Jerry, Dirk, Leon and Chris. They were at Archer City cheering for our side.

December 16, we all grouped around the flag pole for a short flag raising ceremony. Scott and Randal on the trumpets. Bruce and Andy sent the flag up into a great north wind.

GIVING DUE RECOGNITION

SURPRISE: WANDA GUINN

The staff wants to recognize Wanda for all the extras—calling in lunch orders—helping sneak a coke—keeping basketball books—signing passes—lending a sympathetic ear—hunting lost books—offering a happy smile—keeping secrets—keeping office organized—knowing all the student schedules—loving all the students—being an A+ secretary—plus, doing all those little things that make going to the office a pleasure. Thanks! Wanda! for a job well done.

WATCHING THE BIRDIE

Karen is pleased over what she has learned listening to Mr. Martin.

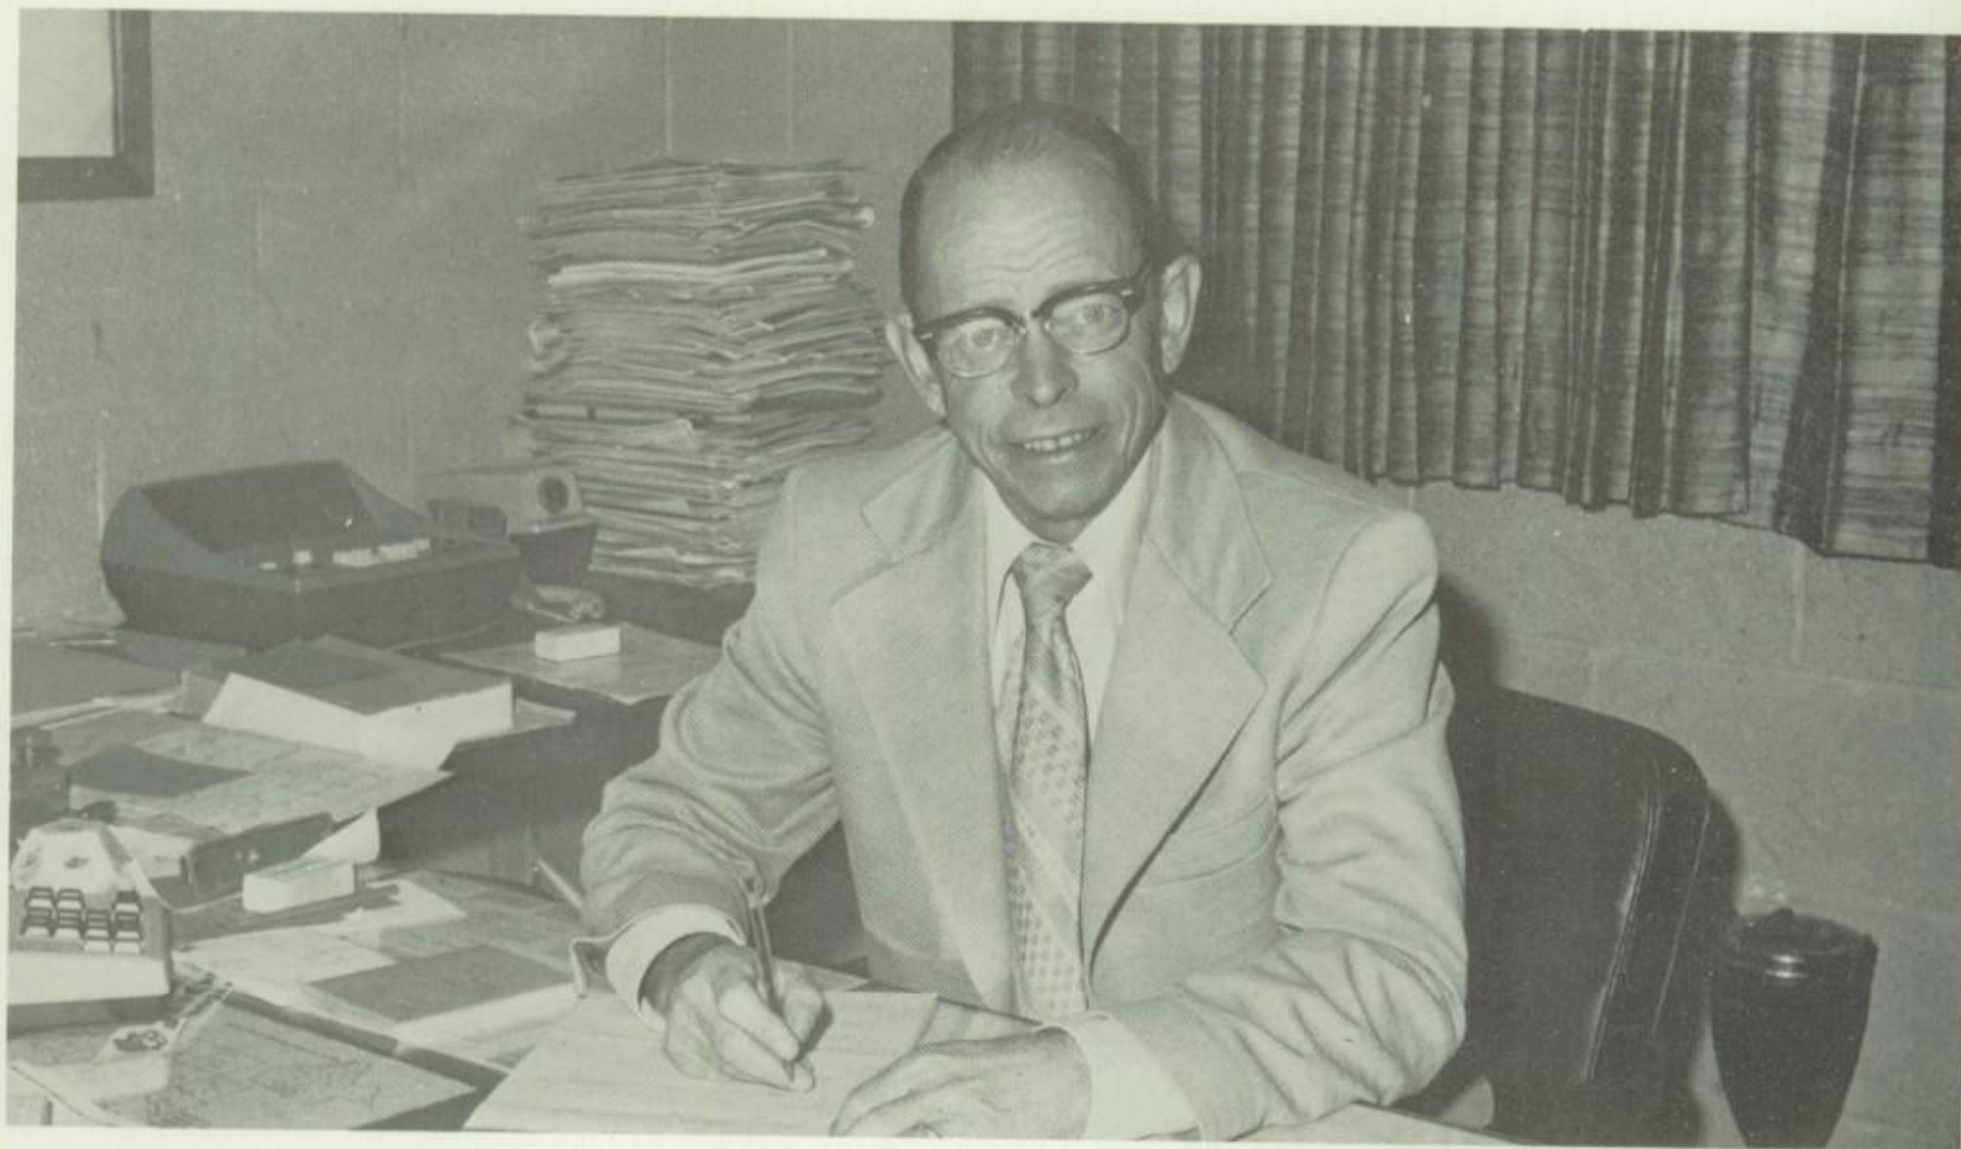

Marti, James, and Kent are definitely watching the door.

Senior English Class has a happy moment. Not testing today!

Selling tickets is a man's game!

Back row: Brian Yates, Curtis Womack, Brenda Moore, Kaven Stout, Kent Keith. 3rd row: Wendy Stout, Crystal Frank, Lee Ann Harris, Christy Bowman. 2nd row: Kari Gray, Gaye Martin, Debbie Boyd, Susie Petrek, Belinda Morgan. 1st row: Judy Christian, Donna Lunsford, Sheree McIntosh, James Standlee, Karen Dormier.

The 1974-75 Annual Staff is happy to present to you this 1974-75 edition of the Panther Annual. We hope that through our efforts you will be delighted with the fond memories that it will bring to you in the years to come. We would like to express our great appreciation to those that helped, especially to our sponsor, Mrs. Cooper, whose help and ideas made this book possible. The 1974-75 Panther Annual is bigger and better because it includes pictures and activities of the entire school system, from elementary through high school. Perhaps through this book we can contribute a small part to your present and to your future.

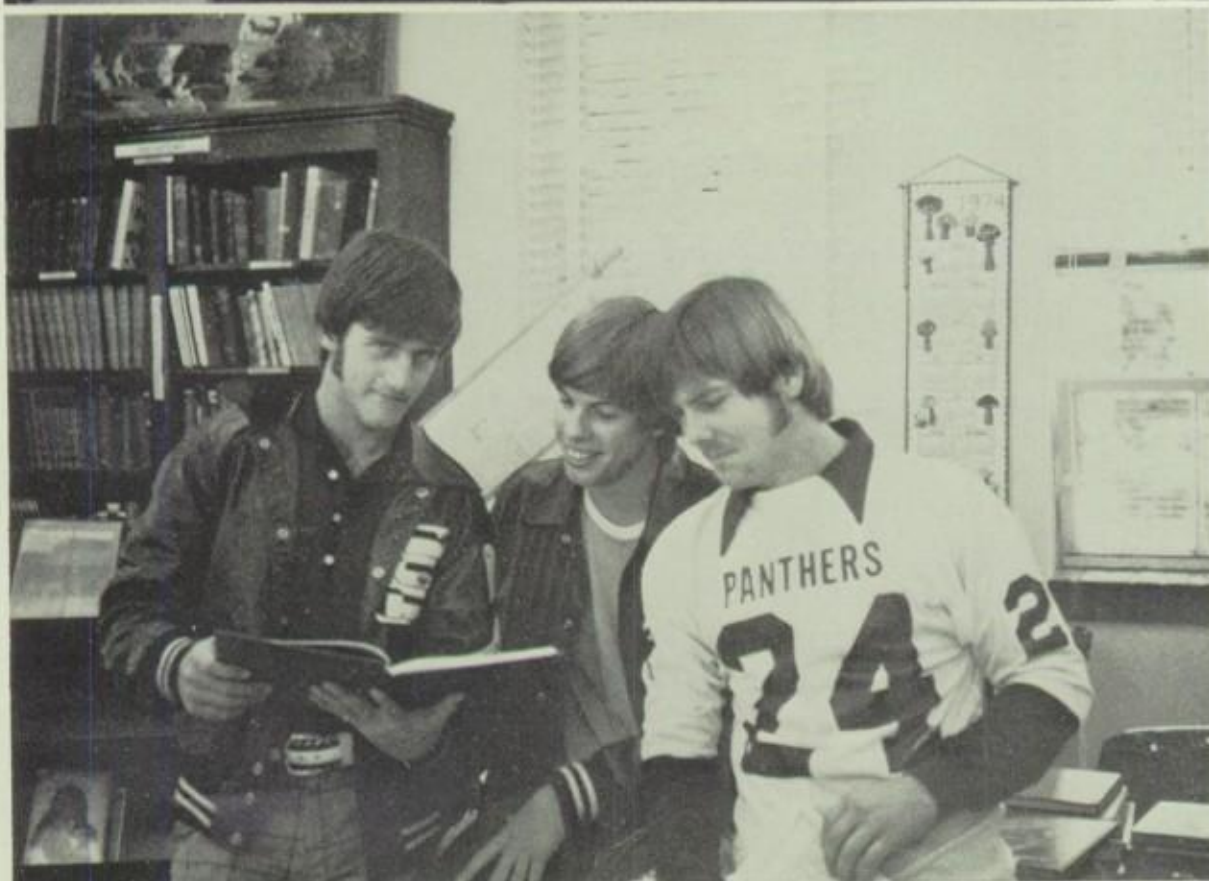

Your 1974-75 Panther Annual Editor

Karen Dormier

STAFF AT WORK

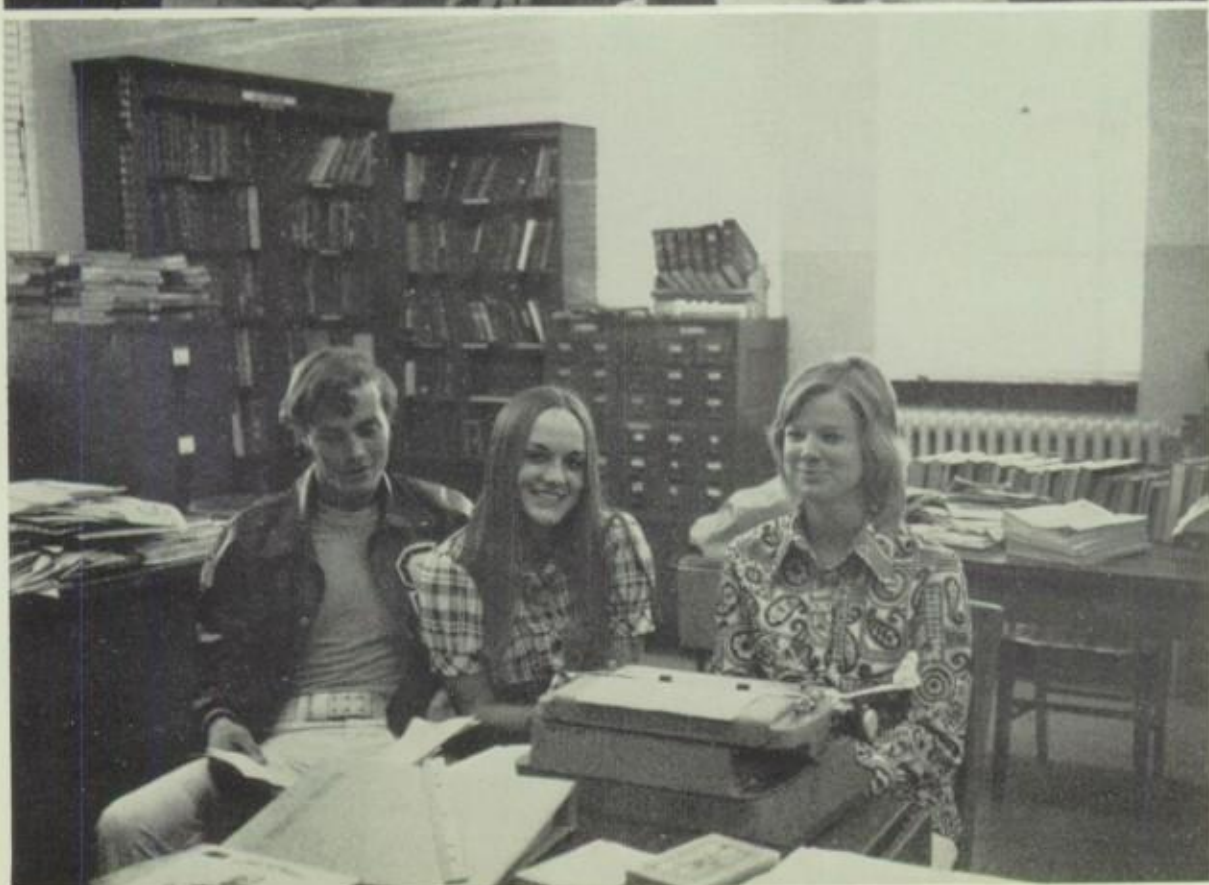

Dale Norville makes some sketches before starting on the division pages.

Rob, Kaven, and Greg give each other a few pointers before starting out to sell ads.

Nathian helps Karen identify people in the pictures. The Cigar Box is full—more work to do.

Johnny offers a suggestion to Crystal and Brenda about what to say on copy for a page in this book.

BACK TO WORK-TO PLAY

Michael, Kari, Molly, Debbie and Phylis put out much concentrated effort trying to get a coke.

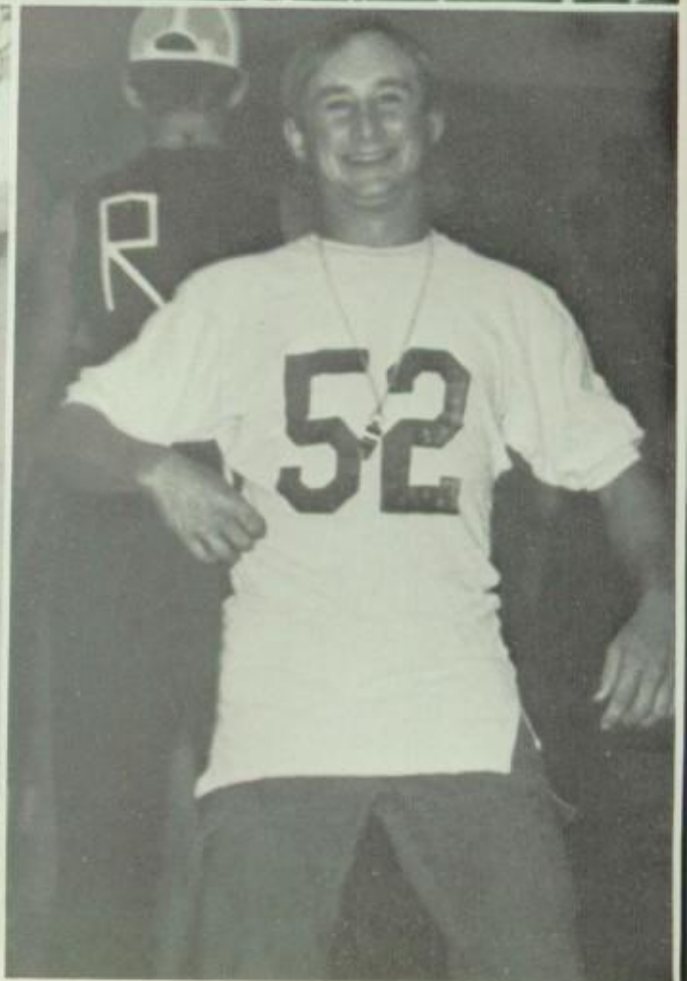

Ranell and Nancy show us that good, happy spirit when you get to take a field trip in high school.

At this time the President is undecided to stay in or jump out! Larry finally voted for Mech. Draw.

Steve tells a now famous rib-tickling joke—no, he is pleased over the Powder Puff BB game the Juniors had.

UP TO SOME NEW TRICKS,

Scott finds himself surrounded by the girls—that is the way it happens and no place to run!

As the season got going, Panther spirit grew and grew. We were proud to support this great bunch.

Rick and Richard are showing the stress that goes with getting involved in class activities. What a game, boys!!

Tim expresses his true feelings and let's us know he has passed H.E.C.E.

GET TO THE BASICS

Only one tries for the big
shakedown—off the wall!

Kelly calls for "Operator."

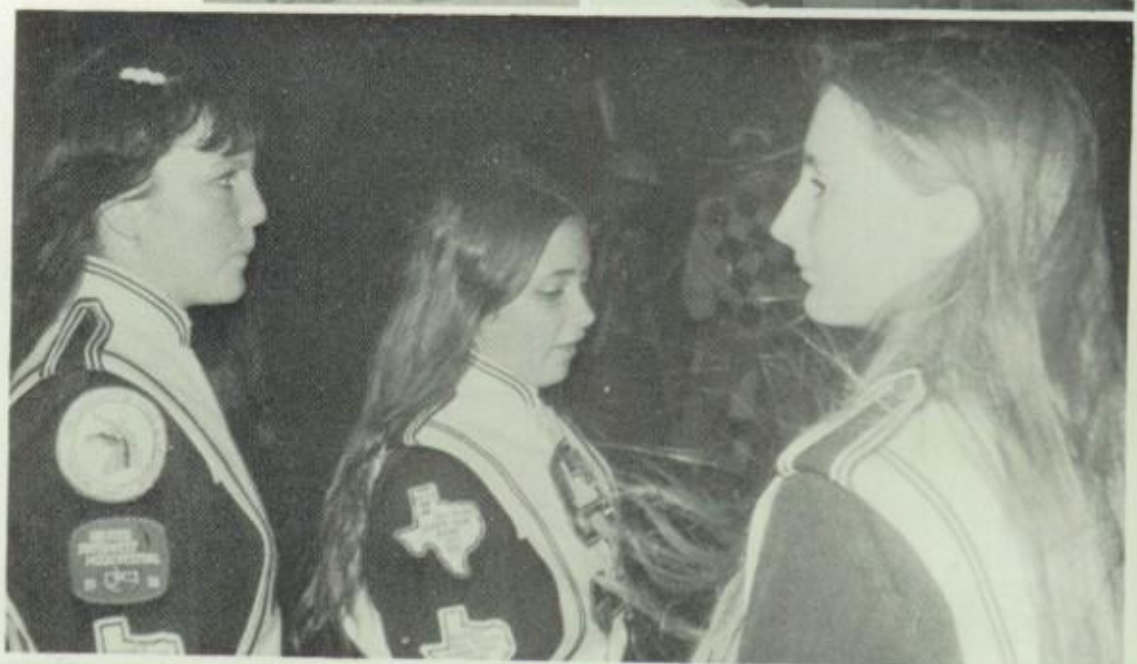

Homemaking grade is based on basic skills—
Here, Christy & Kathy show us how to make
a grade.

Charlotte, Suzanne, Virginia take time for a
breather.

Charley tests out a new theory in Chemis-
try—rest before work.

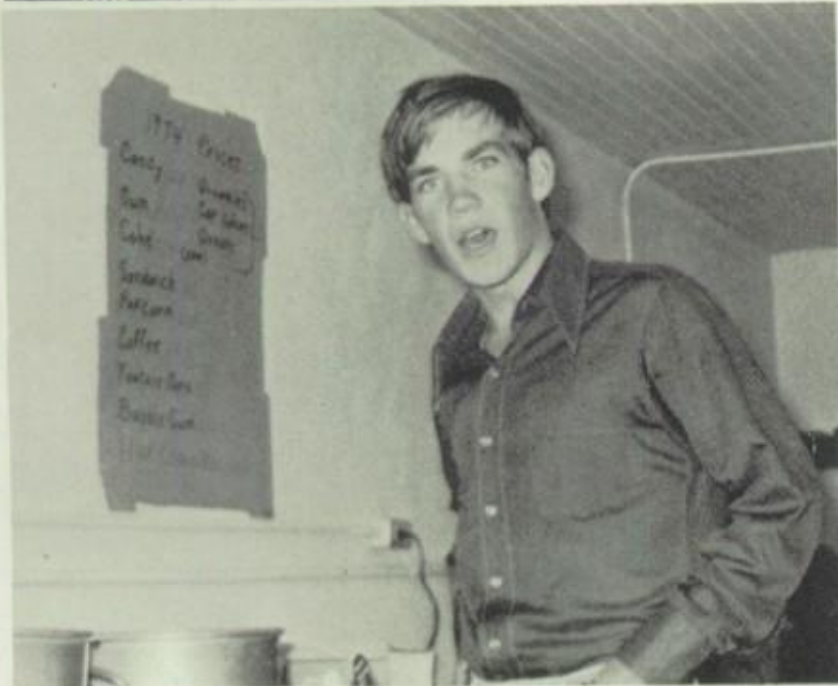

Richard and his "infernal" machine.

TRY SOME NEW SKILLS

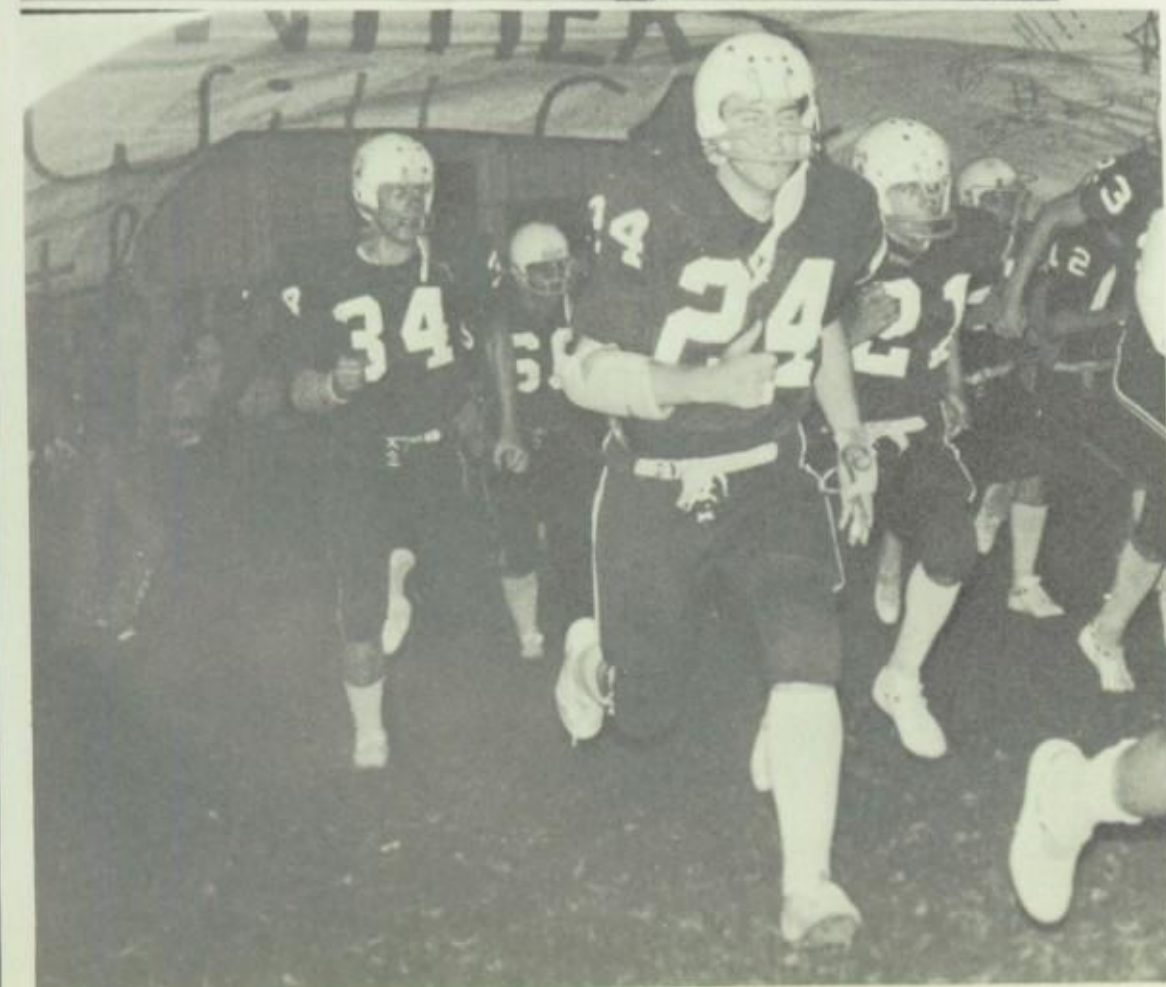

Sandra gets a reward for hard work—selling the most magazines.

Jeff discovers loudly that he has not been robbed but that thing called inflation has hit the concession stand—hard.

Mr. Johnson, Mr. Wisdom, and Mr. Peterson share early morning news over a friendly cup of coffee.

The Panthers come on strong over at Archer City.

LOOKING HAPPY IS OUR THING

Mrs. Kuhler looks very happy—
is it because she is carrying a
pop test for some class?

Miss Brown adds her name to Kaven's
autograph leg. Other senior boys make
peace signs or just sit.

This is the happiest look the band can
muster for a job well done.

MOVING TOWARDS A GOAL

Bobby Marak receives an SHS diploma from Mr. Cooksey. Good Work!

The Student Council gets the tree all prettied up for the Christmas feeling in high school.

Trude cheers on a cold night.

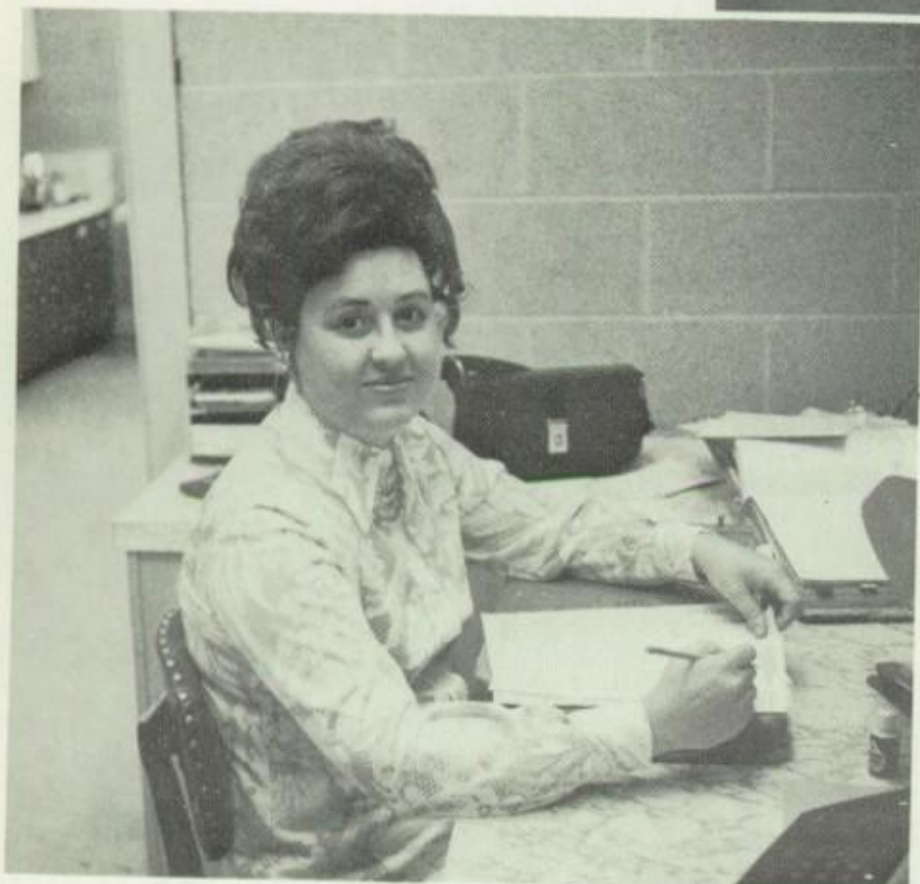

Pam digs in for a second helping of learning.

ALL SCHOOL

OFFICE HELP: Mr Lana Casselberry, Richard Morgan, Wayne Jones, Brenda Green, Larry Womack, Mary Simek, Yolanda Alvarado, Stephanie Wishon, Melody McNeil, Larry Cure. Wanda Guinn, high school secretary, is seated. This bunch runs many a step to carry messages and do other jobs connected with the office.

Mrs. Sharon Elliott is bookkeeper for the entire system. She can look at any invoice and tell if it has been paid. A super type for our school office.

HIGH SCHOOL CAFETERIA: Mrs. Alease Petty, Mrs. Mary Nell Coltharp, Mrs. Willie Lois Montgomery try hard to keep smiling over at high school. They keep the coffee pot happy, too!

PERSONNEL

Upper left shows Lupe Charo and Lonnie Hitchcock repairing trophy case plaques. Jimmy Haynes looks happy over the news. Willard Marsh stays busy, and we see less of him than our other service staff.

Mrs. Anita Green answers the phone with a happy voice. She can also field many questions about the off-set machine and when can something be printed. A busy person in a busy office.

Mrs. Ann Richardson is a welcome sight to the faculty. We know she signs our checks. A big duty is to keep the buses running.

FAVORITES

ANNUAL KING AND QUEEN

Mike Shipman

Karen Dormier

Susie Petrek, Dale Norville, Kari Gray, Gaye Martin did a fine job on Mickey Mouse March accompanied by Molly Stout.

Greg Blankenship and Natalie Kuhler were crown bearers. We love the little ones on the program because they are not stage struck.

Attendants were Keith Beck and Brenda Dowd. Keith is just about ready with the crown. Cinderella's Castle formed the center decor.

The Panther Staff used as a theme, "Disneyland," which served as a happy theme for a happy occurrence. The staff engaged in new and old customs to provide a memorable morning. Kent Keith did an excellent job announcing. Brenda Moore was pianist. "Over the Rainbow" was how we felt with the music. Disneyland patterns were borrowed from Mr. Cartwright at Benjamin. Editor Dormier and Art Editor Norville did a splendid job with the crew of cutters and painters—Brian Yates, Sherree, Donna, James Standlee, Miss Gilbert, Miss Brown, and all others on the staff. Belinda and Lee Ann presented plaques to the King and Queen. Rob King read "Desiderata" accompanied by Lon Chaffin. A touching and beautiful thought to remember.

Much thought and direction were given to this Polynesian theme through music, dances, setting, costuming. It was unusual, lovely and well appreciated by the audience. Leis were worn by all participating.

Mrs. Foy does a splendid job with the cheerleaders. They come out cheering—regardless of weather, poor scores or sickness. Their job is to help keep up SHS spirit, and they pretty well fill the bill.

VOLLEYBALL

L-R: Back row: Harvey, Blackburn, Wright, Kasperek, Martin, Walker. Front row: Wishon, Smajstrla, Stout, Mrs. Foy, Moss, Redder, McNeill.

Here you see the team at play and practice, too. They showed much enthusiasm for the sport they chose to participate in. Did a good deal of extra work because the district tournament was here. Didn't win, but played beautifully.

TENNIS

L-R: Loudermilk, Casselberry, Moore, Frank, Hatter, Mrs. Jones. It never fails—once tennis time comes, so does the snows, rains, northers, and, more northers, and then, it starts over. Even so, the girls deserve some credit for representing us at district.

GIRL'S BASKETBALL

L-R: Back row: Coach Hightower, Martin, Hrcirik, Smajstrla, Marek, Brady. Middle: Duncan, Mills, Gray, King, Stout, Cowan. Front: Hardin, West, Garner, Robertson, Tumilson.

Suddenly, the Seymour fans woke up when the girls started playing basketball. The girls themselves were good team rooters. Some of the action is seen around the page. Good luck girls! The team has a big majority of Freshmen, so we are looking forward to them for several seasons.

GIRL'S TRACK

L-R: Top row: J. Kunkel, Mgr., D. Boyd, M. Stout, L. Martin, S. Hrcirik, P. Smajstrla, B. Marek, M. Brady, Coach Hightower. Middle row: C. Milton, D. Lovelace, L. Young, D. Tumilson, S. Petrek, K. Pre-game warm up and final instructions. Killian takes the tip. We had many a fast moment like this, and we all loved the game and the team.

JUNIOR VARSITY

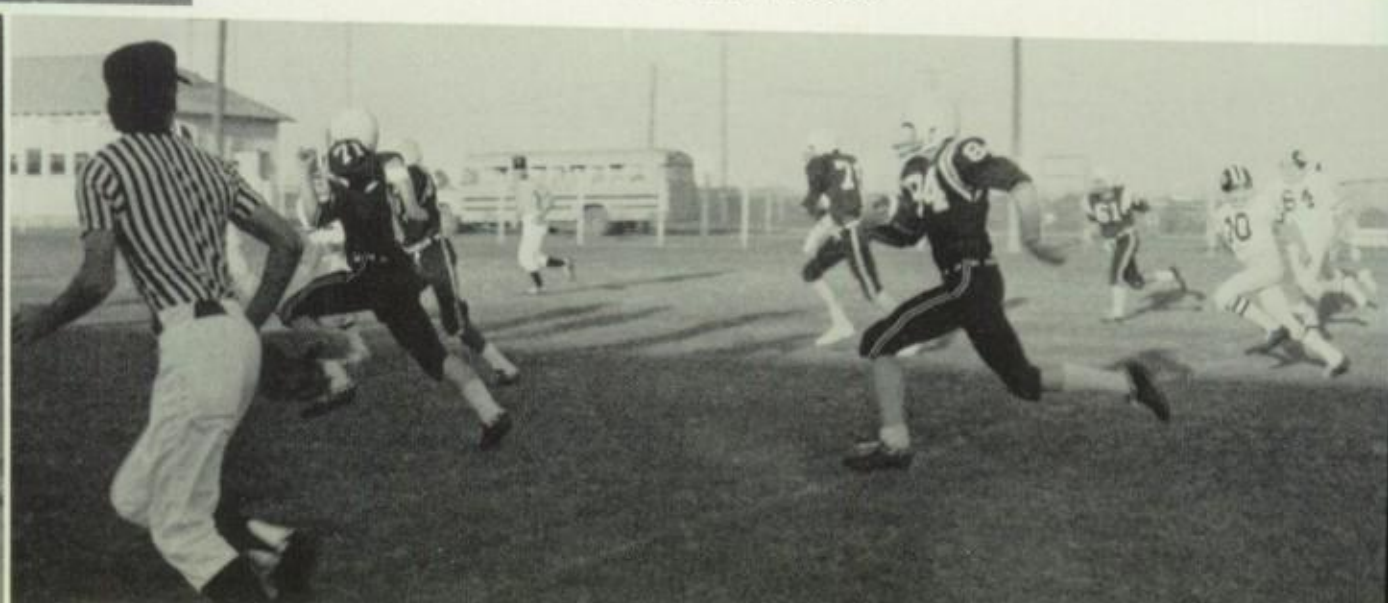

L-R: Back row: Green, Coach Hawkins, L. Womack, Henshaw, Lewis, Kinnibrough, Barton, Bohanon, Coach Murry. Front row: Slaggle, Coach Love, Davis, Cooksey, Peoples, C. Womack, Saenz, Coach Hightower, Stone. Managers were Green, Slaggle, and Stone. This team has brains and brawn, and showed it every chance they got. Just wait until next year!

Larry is off and running. Barton and Lewis are right in there, too.

Curtis is shown running in corner pix.

Rick Bohanon returns a punt for a 65 yard touchdown. Lots of good action seen with this group heading down field. Henshaw blocks.

FRESHMAN

L-R: Back row: Green, Mgr., Coach Hawkins, Jones, Holub, Gleghorn, Jackson, Dawkins, B. Elliott, Coach Murry. Front row: Slaggle, Mgr., Coach Love, Griffin, Styles, Brock, Mark, R. Elliott, Hostas, Coach Hightower, Stone, Mgr. These boys have a lot of know-how about football and proved it on the field.

Dirk Davis is the ball carrier.

Brandon Elliott kicks off.

PANTHER

Standing L-R: Head Coach Duncan, Coach Murry, Paul Holub, Rick Killian, Kaven Stout, Nathian Lewis, Milton Washington, Lon Chaffin, Dennis Kunkel, Steve Powell, Coach Love, Coach Hawkins. Kneeling—Coach Baker, Dyol Hill, Mike Shipman, Rob King, Greg Hertel, Keith Winstead, Larry Cure, Mark Morris, Coach Hightower. At the front—Tony Hardin, Terry Moss, Craig Lawrence, Steve Shaw, Brandon Elliott, Tommy Covington, Chris Lawrence. The 1974-75 Panthers were a dedicated, strong team. They never failed to show the proper spirit, courage, and desire to win. SHS can be proud we had this group playing for us. Forgive us, Charlie Cook No. 55 is between Tommy and Chris on the front row.

ALL DISTRICT TEAM

As hard as the Panthers worked, we wanted them all on the All District team. We did get nine on. Standing l-r: Paul Holub, Greg Hertel, Mike Shipman, Rob King, Dennis Kunkel, Rick Killian, Keith Lawrence, and Kaven Stout in front. Holub, Shipman, King, and Stout are on the first offensive team. On first defensive team is Killian. Kunkel and Lawrence are on the second offensive group. Lawrence, Winstead, Stout, and Shipman are on the second defensive team. Our congratulations, Panthers!

Munday—"Our annual practice game," we just couldn't lose.

Crowell—Our first home game of the season. Tougher than what we expected.

Haskell—"Upset of the year."

Holliday—For the first and only time the Panthers disappointed their fans at a home game.

Archer City—A last minute come back by Archer City put them ahead to win a very important game.

Henrietta—First district game, and turning point for the season; from here on, "We will win."

Electra—"Parents Night," We won for Mom and Dad, and Coach Duncan.

Olney—Pratt ain't no super-star, we won again!

Panthers standing left to right are Coached by Randal Murry and Herb Hawkins. Coach Murry, Steve Shaw, Paul Cowan, Keith Winstead, Rick Killian, Milton Washington, Johnny Gibson, Nathan Peoples, Mike Shipman, Rob King, Curtis Womack and Coach Hawkins.

Rick Killian made the District 1st team. According to the Banner Keith Winstead, Milton Washington, Mike Shipman, and Rob King were given Honorable Mention in the District.

Whammo! Panthers are on their way!

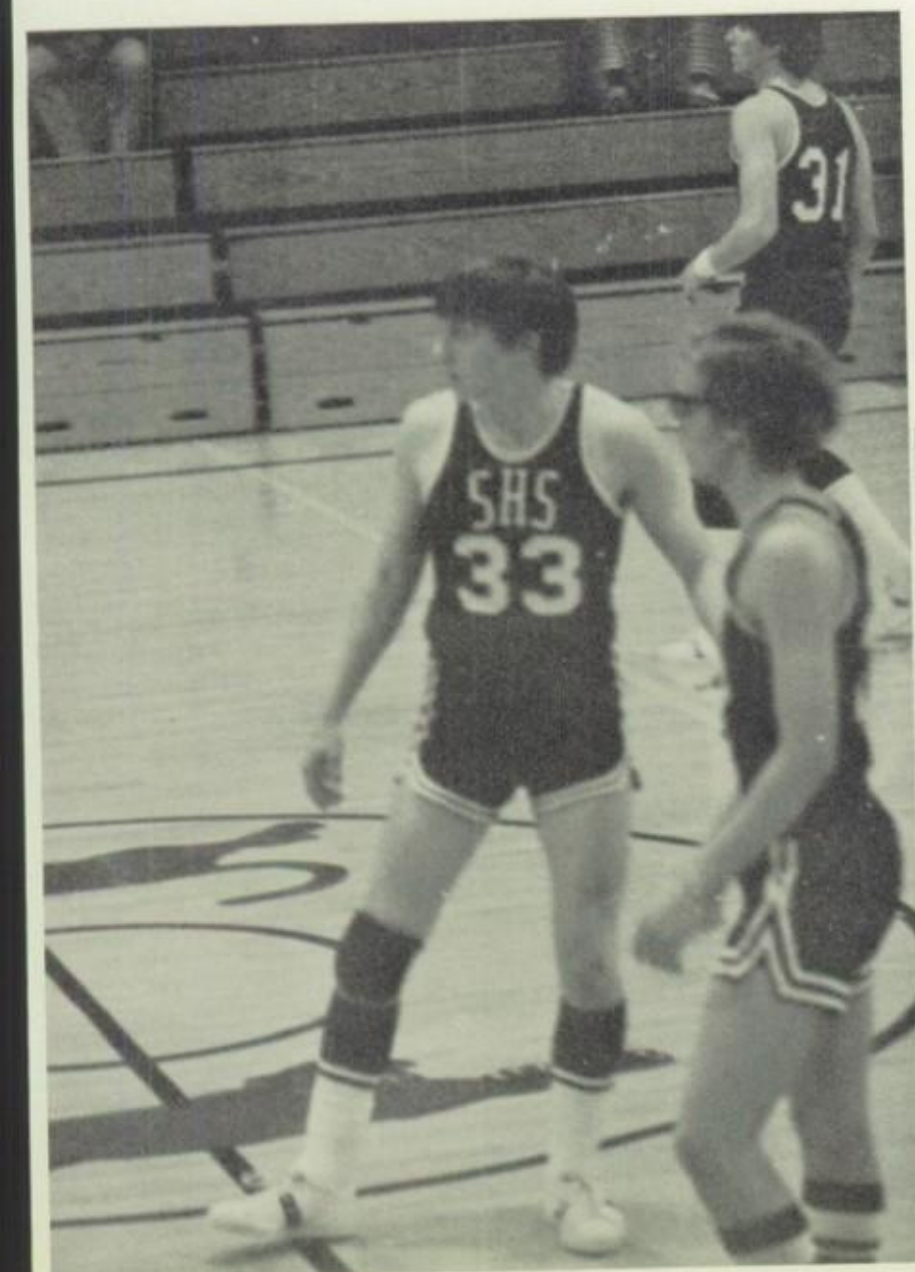

BASKETBALL

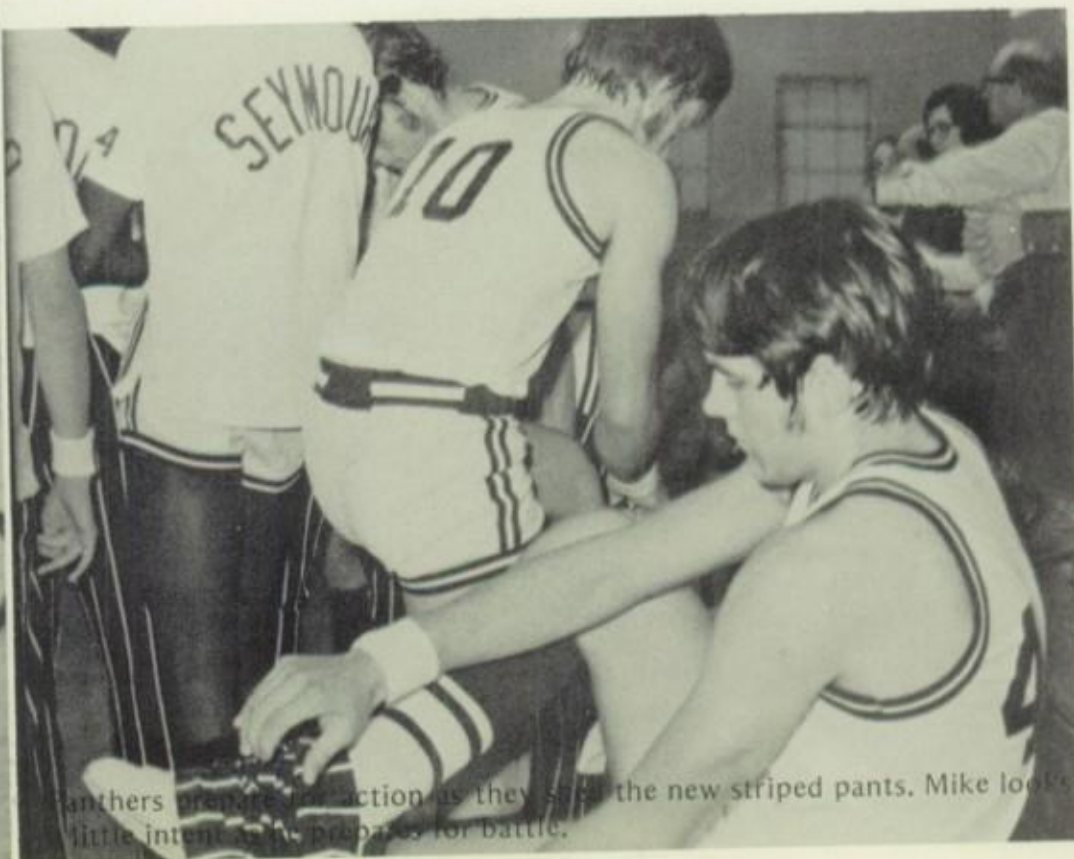

Milton goes up, up for the jump ball. Other Panthers are there to close in.

Killian is out making the circle to get his turn at the goal.

Keith Winstead waits and watches in readiness for the ball, but waiting in basketball is practically instant replay, it is so short.

Panthers prepare for action as they see the new striped pants. Mike looks a little intent as he prepares for battle.

J.V.'s

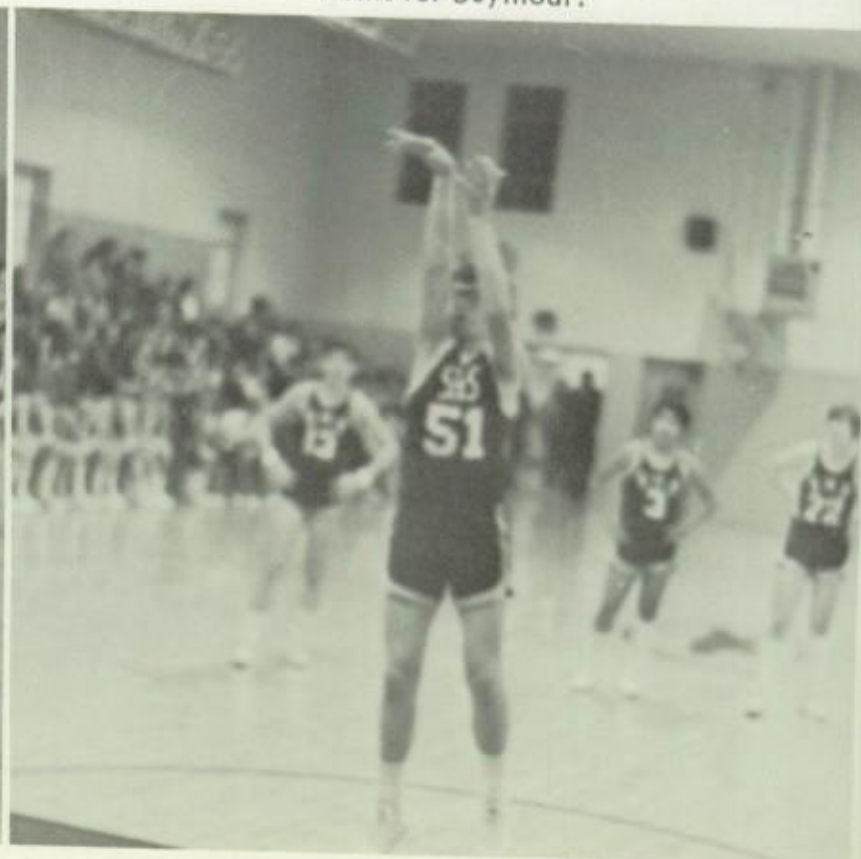

The J.V.'s had a good season, but a good team always has a good season. Coach Hawkins and the boys soon had a good working relationship going. L-R Coach Hawkins, Benny Saenz, Larry Womack, Chuck Barron, Nathaniel Lewis, Jerry Barton, Bruce Thornhill, Craig Lawrence.

Fancy footwork pays off!

Point for Seymour!

FRESHMAN

Coach Hawkins did a fine job with this bunch of boys. They had a lot of respect for each other. Standing: L-R—Bruce Gleghorn, Randal Kinnibrough, Mike Jackson, Andy Barron, Coach Hawkins. Kneeling L-R—Edward Mark, Ronney Stone, Dirk Davis, Chris Styles, Leon Jones. Desire is strong to accomplish with this bunch.

A silent prayer or just a thoughtful moment for team.

I am pretty sure the ball is up there, Coach.

Chris steps out.

VARSITY

Standing L-R: Track Coach Duncan, Henshaw, Barton, Killian, Washington, Lewis, Barron, Gibson, Winstead, Assistant Coach Baker. Kneeling Bohanon, Mark, Peoples, Hill, Cowan, L. Womack, Cure. Seated: C. Womack, Moss, Covington, Sosolik, and Lawrence. Winstead and Cure are seniors. Edward Mark is a freshman. This team has consistently dealt misery to the district for four years by winning the District Title. They were great.

Cure shows us how to win a race. We all hurt when he pulled a leg muscle at regional.

Regional Qualifiers: Standing L-R: Curtis Womack, Rickey Bohanon, Johnny Gibson, Milton Washington, Rick Killian, Keith Winstead, Larry Womack, and kneeling Nathan Peoples, Edward Mark, Tommy Covington, Dyol Hill, Larry Cure. We were proud at Regional even if we did not get but one on his way to State. An excellent try, Panthers.

L-R: Standing: Coach Duncan, Crownover, Cooksey, Barron, Gleghorn, Myers, Jackson, Holub, Dawkins, Coach Baker. Kneeling: Elliott, Lawrence, Redder, Shaw, Hardin, Jones, Brock. Seated: Carnahan, Hostas, Davis, Styles, Griffin. In this group there are enough boys and track talent that they will be keeping up our district tradition for a few years.

Crownover is shown at district with a whole field of boys hopeful of hitting the tape first. Our boys sparkle and shine when they talk track—which is all spring.

We are no judge of thoughts, but deep study is being given by these boys.

They had an interesting variety of programs.

VIC

Pres. of VIC was Rob King; Keith Beck was V. Pres. Other officers were Milton Washington, Johnny Gibson, Rickey Jeter. The group set to work early and made good time on their housebuilding project. Earl Wisdom has made an excellent sponsor. We hate to see him retire, but after 24 years of putting up with us he probably needs some time off.

SCIENCE CLUB

Officers of the Science Club were: Steve Powell—President; Mike Shipman—Vice President; Ranell Scott—Sec.-Treas.; Mary Simek—Reporter. Officers are all on the front row right to left, no, Mary is third, Ranell 4th. Sponsor Mr. Beck is on the riser at the right side.

COUNCIL

COUNCIL MEMBERS—We all wanted to join when they had refreshments, or their meetings ran over past nine. They had any number of worthy and good projects. Weighing out popcorn ceases to be funny after awhile, but we all wanted it at every game.

This was a fun thing—a cow chip throwing contest. Richard Morgan presents the winner, Larry Womack, with an oversize cow chip. Would you believe they kept the sack full of ammunition in the school vault to keep it dry?

Sponsor for this group is Charles Barron. He never seems to get too excited or worried over some council activity that has the council in a big stir. Good Council, Mr. Barron.

Council members Morgan, Frank, Cure, and Wishon are shown delivering to Firemen Hons and Robinson food collected for the needy at Christmas.

LUNCHROOM LADIES

l-r: Mrs. Vickie Talley, Mrs. Neva Elliott, Mrs. Wanda Cook, Mrs. Jessie Barton, Mrs. Helen Overton, Mrs. Ama Hurley. Lunch time was a welcome break for us. We were always hungry, and the "cooks" had a special word and smile for us.

Sixth Grade Band was an important part of routine. We were loud, young and enthusiastic. Just wait until next year when we can help out more musically. Sheer joy was ours when we came down the slide for the first time.

The new gym was a super wonderful place for all of us. Coach Duncan was patient as he taught us the rules. Aide Rob Crowover knew what we had to do.

Rhonda Kinnibrugh opens wide for Nurse Wood during one of the flu sieges.

Ray Hollingsworth, Mark Stout, Bret Davis leaned on the shovel as they helped plant a pecan tree as part of the Bicentennial year.

When can we work in one more, just one more, conference seems to be the worry of Mrs. Parris, Mrs. Hardin, and Mrs. Powell.

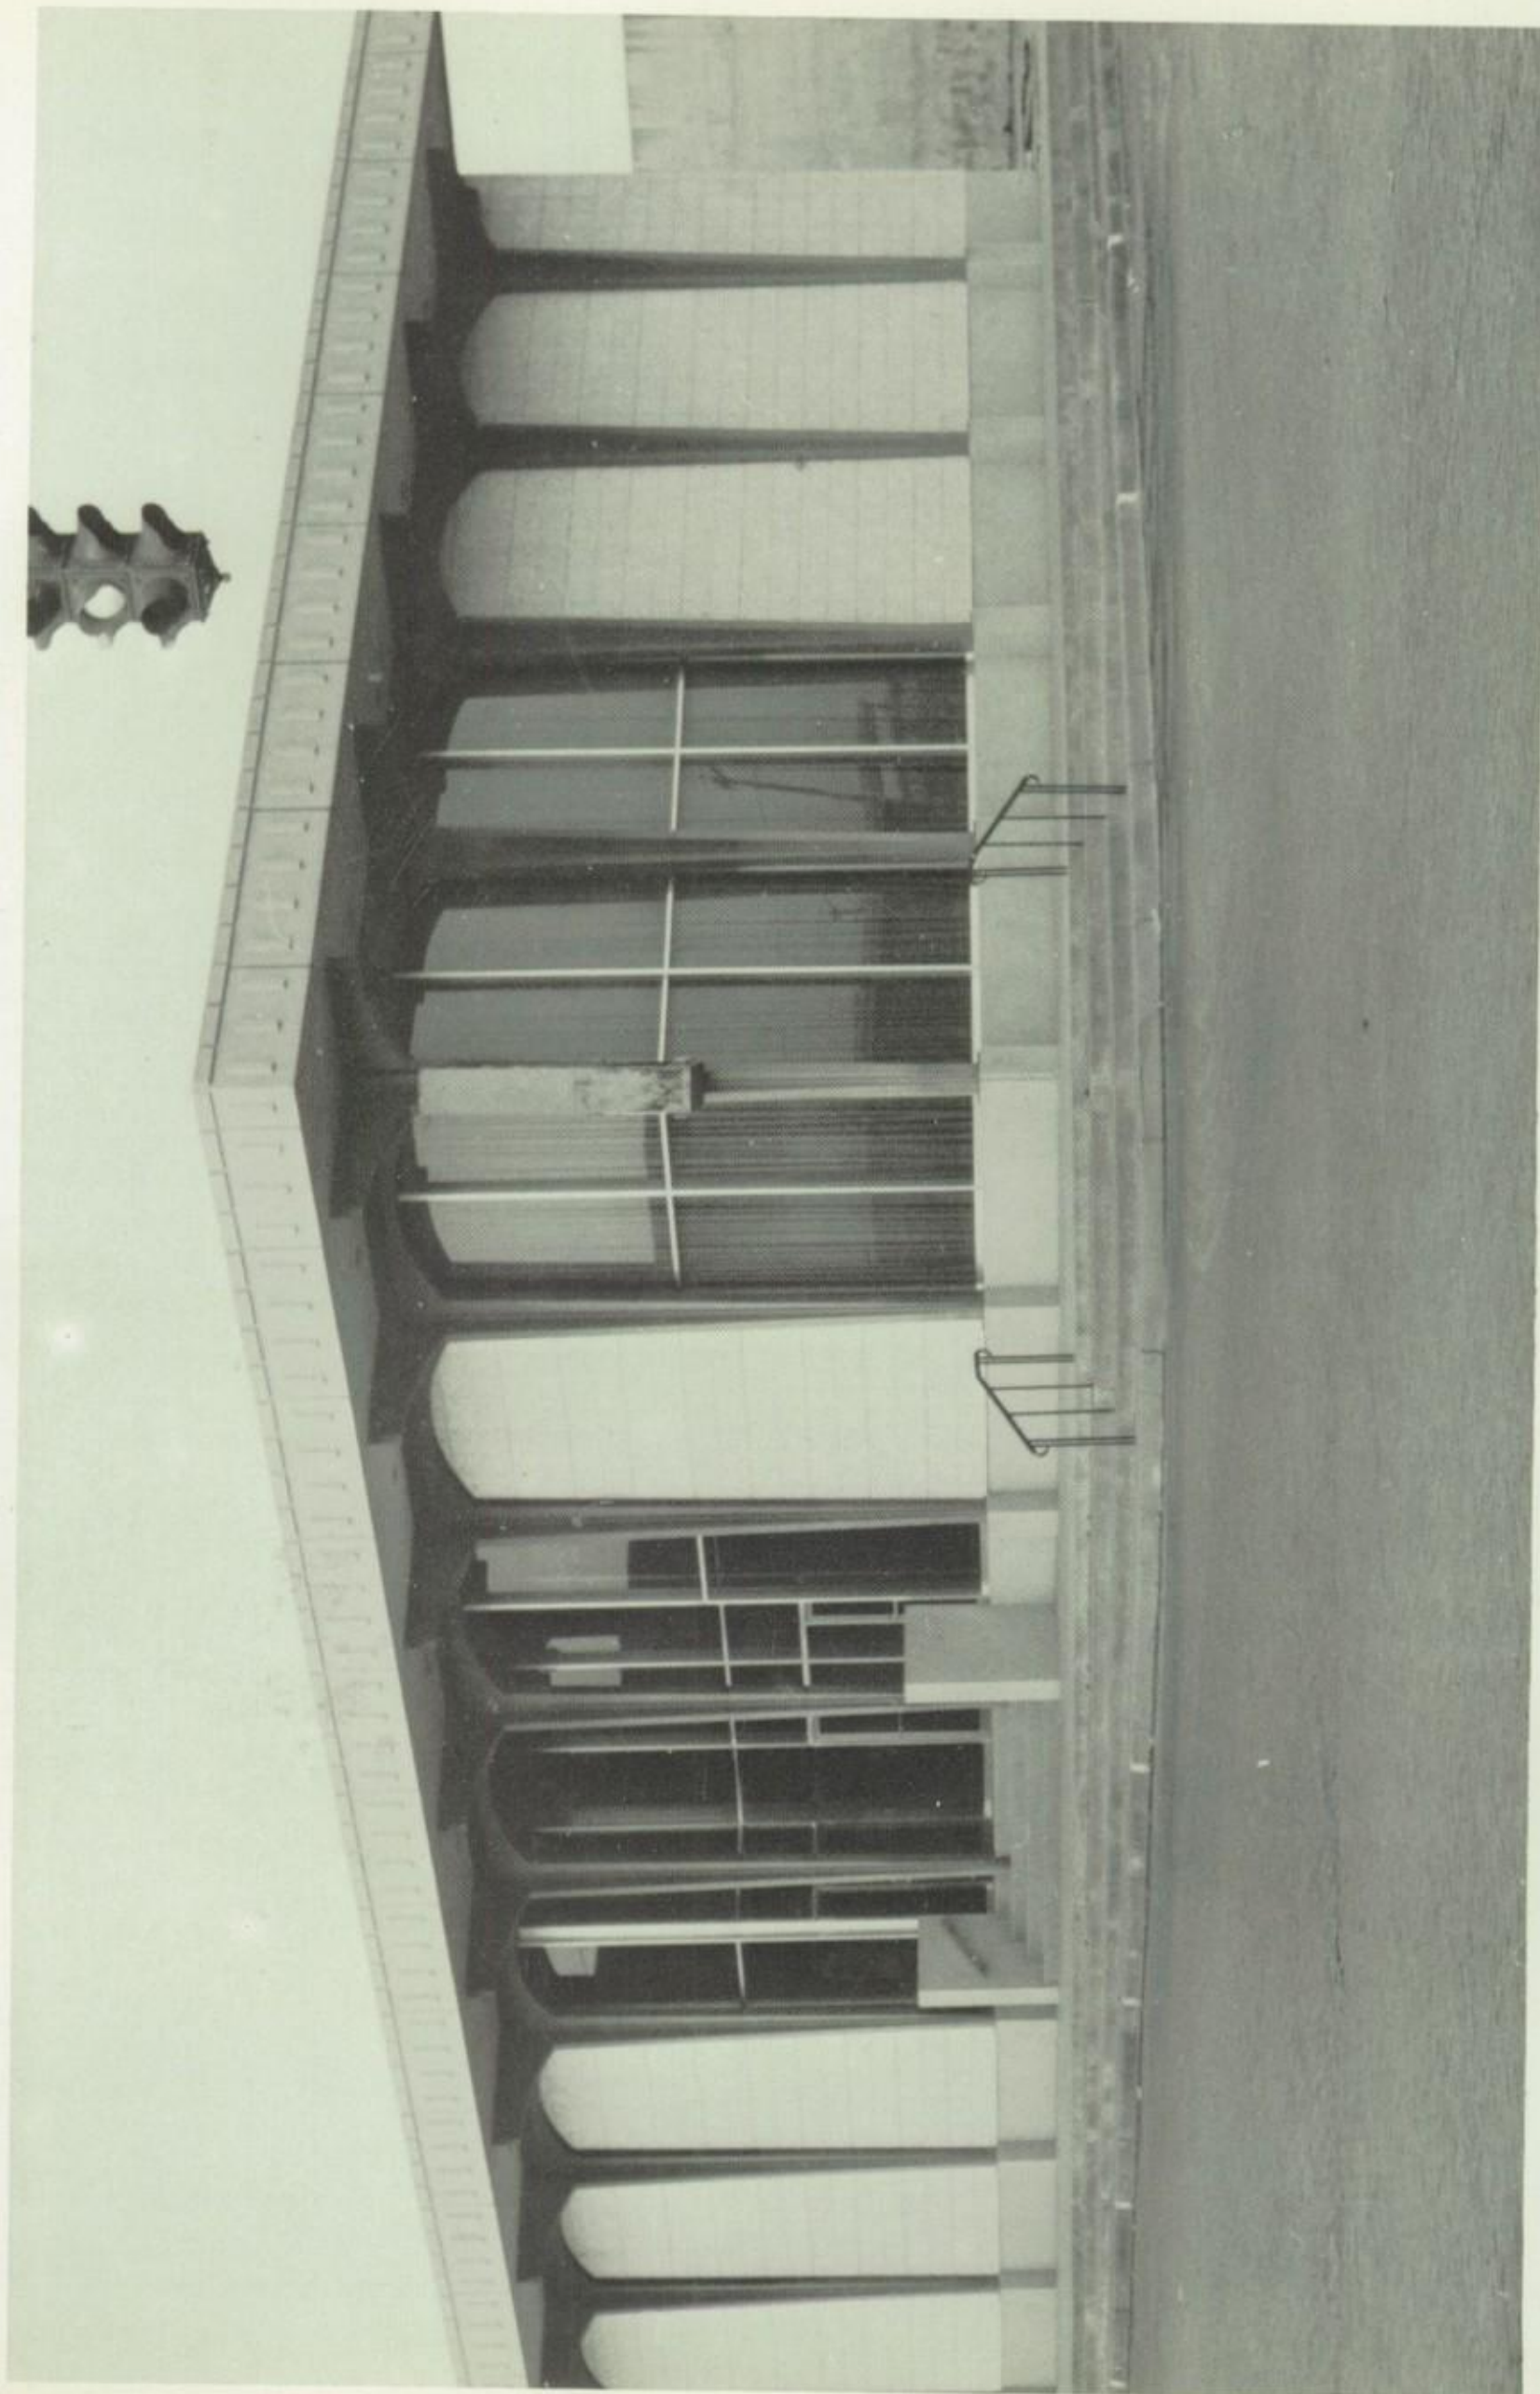

Fierian Club Pres. Mrs. E. W. Hoosier, Projects
 Cha. Mrs. A. L. Harris, Baylor Co. Bicentennial
 Cha. Mrs. George Higgins present a tree.

Faculty members Wilson, Duncan, Syptak, Harris
 enjoy the lunch period.
